Dear Families

Welcome back to school after the Christmas break; we hope you all had a restful holiday, and we wish you all a very Happy New Year!

As we begin this new year, we would like to remind you of the importance of regular attendance and the procedures that are in place at Wynndale to ensure your child's continued success as a Wynndale Learner. Consistent attendance is essential for your child's learning and progress. Missing school can lead to gaps in understanding and can affect overall achievement.

With this letter you will find an updated version of our 'Attendance HERO Booklet'. This document contains all the information you need to know regarding expectations and school policies and procedures regarding attendance, as well as information about the support on offer to your children and yourselves, to help maintain regular attendance in school.

We would like to draw your attention to two sections of the document that have been added or amended this year:

*The Wynndale Attendance Promise – which outlines how we can work together to support your children to have the best attendance possible

*The Rewards for Good Attendance section – we have introduced some new class, and individual attendance rewards this term. We have spoken to the children about them in assembly and they are all very excited about them! The updated rewards have been designed to ensure all children can take part and have success, and they are based on lots of research of best practice both locally and more widely.

Whilst we strive for all children to have the best possible attendance in school, we understand that occasional absences due to illness (or adverse weather!) etc. are sometimes unavoidable, and we appreciate your efforts to keep us informed. By working together, we can ensure that every child has the best possible opportunity to learn and thrive. If you need any support with attendance or have any concerns, please do not hesitate to contact us—we are here to help.

Thank you for your continued support and your commitment to your child's education.

Warm regards,

Mrs. Evans (Attendance Lead) and the Wynndale Team
